

(B) Remarks

The allowance of claims 18, 23 - 29, and 31 is acknowledged. Claims 18 and 26 are amended to correct a grammatical error.

Claims 3, 4 and 11 - 15 are found to be allowable if rewritten to include the limitations of the base claim and any intervening dependent claim.

Allowable dependent claim 3 is presented in independent form as amended claim

1. Dependent claims 2, 5 - 16 and 30 ultimately dependent on claim 1 as now amended.

Allowable dependent claim 4 is amended to present the claim in independent form.

Allowable dependent claims 11 - 15 are presented in independent form as new claims 33 - 37.

To comply with 35 U.S.C. §112 each of the claims 1, 23 and 33, now correctly recite that it is the *first triangular façade*, which projects from the opposite lateral sides of the second triangular façade as disclosed in the specification, page 5, lines 12 - 14 and page 6, and lines 1 - 3.

Accordingly, it is believed that this application is in condition for allowance and such action is earnestly solicited.

Respectfully submitted,
